CAREER OBJECTIVE

Full-Stack Developer & AI/ML Engineer with experience developing scalable web applications, AI-powered solutions, and computer vision systems. Strong in problem-solving, software development, and building end-to-end solutions using modern technologies. Passionate about engineering reliable, impactful applications while continuously expanding technical expertise.

SKILLS

Technical Skills:

Programming Languages: Python, Java, C, C++, C#, JavaScript, TypeScript

Frontend Technologies: React.js, HTML5, CSS3, Three.js

Backend Technologies: Node.js, Express.js, .NET, Flask, REST APIs

Databases & Storage: MySQL, Oracle, Firebase, Supabase, ChromaDB

AI/ML & Generative AI: Machine Learning, Computer Vision, OpenCV, Natural Language Processing, Generative AI, Large Language Models (LLMs), LLM Integration, Retrieval-Augmented Generation (RAG), Vector Search, Prompt Engineering, AI Chatbot Development

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, Software Development Life Cycle (SDLC), Authentication & Authorization Basics

Cybersecurity: Ethical Hacking Fundamentals, Network Security Fundamentals, Penetration Testing Concepts, Vulnerability Assessment Basics

Cloud & Tools: AWS, Git, GitHub, Postman, Vercel, Render, Railway, Web Scraping, Blender

Soft Skills: Problem Solving, Teamwork, Communication, Presentation.

EXPERIENCE

Gen AI Intern | Sunbeam Infotech, Pune | Dec 2025 – Jan 2026

- Developed a full-stack Generative AI chatbot using Streamlit, ChromaDB, web scraping, and LLM integration.
- Improved expertise in prompt engineering, vector search, and end-to-end AI application development.

Freelance Developer | TextileGuru | Mar 2025 – April 2025

- Developed an e-learning platform using React.js, Node.js, Express.js, MongoDB, and REST APIs.
- Enhanced platform performance, responsive design, and user engagement through optimized UI/UX.

PROJECTS

ThreadCounty | Live

- Built and deployed a SaaS PWA for automated warp and weft thread counting using computer vision.
- Automated textile inspection pipeline to analyse fabric images and generate thread-count results, reducing manual effort.
- Integrated frontend, backend, and image processing into a cross-platform PWA and mobile application.

NotesPathv | Live

- Built an academic platform with structured notes, secure authentication, and profile management.
- Developed a responsive Next.js/TypeScript UI with dark mode, animations, reusable components, and PWA support.
- Strengthened API security, protected routes, and Supabase authentication for reliable production deployment.

StudySnap AI - AI-Powered Study Assistant (Mega Project) | Ongoing

- Building a custom AI study assistant to convert lecture audio into structured, subject-wise notes.
- Developing AI-powered note management, PYQ analysis, and chatbot-based doubt solving.
- Implementing RAG for context-aware answers and identifying recurring exam topics from study materials.

EDUCATION

B.Tech, Computer Science Engineering (AI & ML) | DKTE Society's Textile & Engineering Institute | CGPA: 7.3 | 2023 - 2027

HSC | DKTE Science Academy | Maharashtra State Board | Percentage: 62% | 2023 Pass out

SSC | Mount Litera Zee School | CBSE Board | Percentage: 80% | 2021 Pass out

CERTIFICATIONS

- Customer Relationship Management – NPTEL
- AI Fundamentals - IBM SkillsBuild
- Generative AI - Sunbeam Infotech, Pune (Internship-based certification)
- Java Programming – CodSoft
- Learn Ethical Hacking From Scratch - Udemy

EXTRA-CURRICULAR ACTIVITIES

- Google Student Ambassador : Promoted Google technologies, organized workshops, and mentored students on campus.
- GeeksforGeeks Campus Mantri : Led DSA initiatives, workshops, and coding contests to engage campus developers.
- Technical Director (AISA Club) **:** Lead website development, backend systems, and technical operations for the AI student association.
- Participated in national-level paper presentations at TEXQUEST (ICT, Mumbai) and VASTRA (VJTI, Mumbai)
- Winner - Best Innovation, Shark Tank (MANEDGE 2026)
- 2nd Runner-Up - Paper Presentation at Textvision & Fashionova 2026
- Winner - Startx at Textvision & Fashionova 2025
